Subject: Allied LF ROD ready for BC signoff - electronic version attached

Hi Joan,

I put the signoff package for the Allied Landfill ROD in your in-box. The electronic version is attached to this message (but doesn't include figures/tables/appendices – those are all in the blue folder in your office). We received MDEQ's concurrence letter today, so it is included as Appendix 1. Two of the tables in the blue folder will need to be replaced with revised tables (being revised for to correct formatting problems only), and we'll get those replacement tables to you as soon as we can.

Please let us know if you have any questions.

Thanks,
-Becky
